Hello Dr. Arvind,

Greetings!

How are you. Baljit here. I wanted to bring to your attention our humble efforts for the Punjab. We would like your support to send this to all schools and universities from your office. We are offering a great discount where the participant from Punjab would have to pay only Rs5,000 for the conference. All their travel, lodging, boarding and conference expenses would be included in that.

Education is the foundation stone for the future of any state or country. Roar 4 Change is taking a leap to define and build the education system in the state of Punjab. The learnings and findings of our humble efforts will be replicated to other states of India.

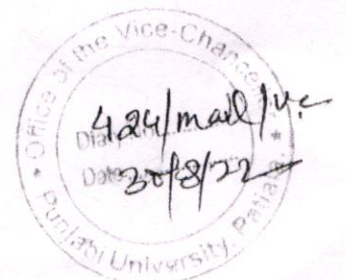

In 2020, Roar 4 Change launched its first International Better Learning & Teaching Conference. Roar 4 Change in association with Jagat Punjabi Sabha and Punjabi Cultural Welfare Association conducted its first conference on Feb 20th & Feb 21st, 2020 in Navi Mumbai. The conference, the first of its kind was hugely appreciated and was of tremendous benefit to the education leaders of Punjab.

Taking a leap ahead, Roar 4 Change are pleased to announce the next edition of our flagship Conference – “**International Better Learning & Teaching 2023**” on **Feb 10– 11, 2023** in Belapur, Navi Mumbai. The second edition of this Conference will cover the extensive range of education requirements for the Punjab Universities and Schools.

Roar 4 Change is announcing a discounted lottery for the early registrants. From all the registrations received by August 31st, 2022, Roar 4 Change will pick 25 participants via lottery system where they will have to pay only INR 5,000 for the entire conference. All the other expense for their travel, lodging, boarding and for conference will be borne by Roar 4 Change. Regular conference fee for the conference is INR 30,000. So avail this great opportunity!

The 2-day Conference will have various sessions as given below.

- Inaugural Session
- Session 1: Cultivating Positive & Drug Free Environment for students

- Session 2: Promoting and practicing Gender Equality
- Session 3: Tapping global resources and funds for Indian education institutions
- Session 4: Healthcare practices at school & universities
- Session 5: Climate Change & teaching Renewal Practices
- Session 6: Teaching methodologies and assessment as per NEP2020
- Session 7: Promoting Punjabi Language, Culture and Music Instruments
- Valedictory Session
