COURSES DETAILS AND PROPOSED COLLEGES WHERE THE COURSES WILL BE STARTED

Sr. NO	NAME OF THE COURSE	PROPOSED COLLEGES WHERE THESE COURSES MAY BE STARTED	RATIONALE AND UTILITY OF THE COURSE
1.	BSc (Logistics and Supply Chain Management Or B.B.A (Logistics and Supply Chain Management))	<ol style="list-style-type: none"> 1. Government College Ludhiana (East) 2. SCD Government College Ludhiana 3. Government College Buta Mandi Jalandhar 4. Government Rajindra College Bathinda 5. Government Bikram College of Commerce Patiala 6. Government College Ropar 7. SR Government College for Women Amritsar 8. Government College Kapurthalla 9. Government College Nayanangl 10. Government College Muktsar 	<p>Why Logistics and Supply Chain Management?</p> <p>The last few decades have seen tremendous growth in world trade: Products are manufactured in one place, then shipped and sold in other places all over the world. Globalisation has been the major driver of economic growth.</p> <p>That means that for many large organisations, managing their supply chains has become increasingly important. In fact, many of the world's most successful businesses owe their success to efficient supply chain management.</p> <p>Career perspectives are ideal for graduates with a degree in Logistics and Supply Chain anagement or Logistics. Expect to work in a fascinating context with many international assignments. And things are going to become even more exciting in the coming years and decades: Innovations like autonomous warehouses, self-driving trucks and ships, drones, or even Hyperloop will certainly shake things up. A university education focusing on supply chain management will guarantee plenty of job options!</p> <p>Ludhiana: Ludhiana is the Logistics hub of Punjab. Logistics companies in Ludhiana have the expertise and experience in handling the transportation,</p>

5

			<p>warehousing and distribution of goods. They have specialized knowledge in areas such as route optimization, freight management and customs regulations. Partnering with freight forwarders in Ludhiana can provide your business with access to this expertise.</p> <p>Top Logistics Companies in Ludhiana:</p> <ol style="list-style-type: none"> 1. WAREIQ 2. BRC Supply Chain Services 3. M PRIMEX LOGISTICS 4. Dei Gratia Shipping Agencies 5. Go Speed E Logistics <p>What Logistics Companies in Ludhiana offer: Logistics companies in Ludhiana offer a range of services, such as:</p> <ul style="list-style-type: none"> - Transportation - Warehousing - Freight forwarding - Customs clearance - Supply chain management <p>Amritsar: KLR CARgo Movers Shore to Shore Logistics V Trans India Private Limited Indo Arya Central Transport Limited Universal Goods Career CARAVAN Roadways FlyJAC Logistics</p>

Government College Machiwara</p> <p>5. Govt Rajindra College Bathinda</p> <p>6. Government Bikram College of Commerce Patiala</p>	<p>BBA in Innovation and Entrepreneurship strives to ignite the spirit of the entrepreneur among the students and makes them ready to start their own ventures or scale up their family businesses. It helps in developing and strengthening an entrepreneurial mind-set which is critical to success. The course enables a transformative process as the students are involved in ideation, validation, development, and commercialization of entrepreneur's innovative ideas. The course aids in comprehending moral concerns associated with business ownership and the obligation to both investors and employees. It provides a strong platform to assist budding entrepreneurs to understand the various dimensions of running a business with inclusion of courses such as management of financials, accounting, marketing strategies, information systems, project management, insights into entrepreneurship through case studies, family business management and venture capital.</p>
6.	B.B.A (Banking Financial Services and Insurance)	<p>1. Government Bikram College of Commerce Patiala</p> <p>2. Government Rajindra College Bathinda</p> <p>3. Government</p>	<p>BBA in Banking & Financial Services is designed primarily for those who want to work in the financial services industry. The program's goal is to provide you with the skills and experience needed to advance careers</p>

12

		<p>College Ropar</p> <ol style="list-style-type: none"> 4. SCD Government College Ludhiana 5. Government Mohindra College Patiala 6. Government College Mohali 7. Government Shiwalik College Nayanangla 8. Government College Ropar 9. Government College Gurdaspur 10. Government College Hoshiarpur 	<p>in the fast-growing finance industry. By joining this program, you would be able to develop competencies in domains like accounting, law, statistics, economics, and financial markets, to name a few. With a BBA degree, with a specialization in financial services, you would be well-qualified to adapt to changes in the agile business environment and succeed as a corporate employee or an entrepreneur.</p>
7.	PG Diploma in Radio Jockeying	<ol style="list-style-type: none"> 1. Government Mohindra College Patiala 2. Government Rajindra College Bathinda 3. SCD Government College Ludhiana 4. SR Government College Amritsar 5. Government College Bootan Mandi 	<p>Radio Jockeying is one of the most creative, exciting and dynamic career options of the present times. This is no less than a golden opportunity for students who are inclined towards creative writing and are equally eloquent. The popularity of this area can be gauged from the fact that popular radio jockeys enjoy celebrity status in society. In the past two decades, the influence of radio jockeys in the field of radio production has grown to such an extent that it has become a hallmark of the sector.</p>
8.	B.B. A (Digital Retail Marketing)		<p>As the name of the program suggests, this program aims to prepare you with the knowledge and skills in retail. The science of retail involves purchasing, marketing, merchandising, operations, inventory control and staff management. The core curriculum of this program comprises topics, such as retail supply chain management, retail</p>

			<p>customer care and computer technology, among others. As the international market continues to grow and new products are introduced constantly, the need for trained people in retail is growing rapidly. Graduates in retail management would have opportunities to work as retail managers, merchandisers, apparel sourcing managers and independent retail consultants. The graduates of this program may also start a business and open their retail stores.</p>
9.	B.A (Hons) Journalism with Media studies	<ol style="list-style-type: none"> 1. SCD Government College Ludhaia 2. Government College Ropar 3. Government Rajindra College Bathinda 4. Government College Mohali 5. Government College for women Amritsar 	<p>BA (Hons) Journalism with Media Studies degree course will offer students a critical understanding of the media field while providing a grounding in journalism disciplines and techniques.</p> <p>The students will learn from published media researchers and expert journalists, as well as using professional-grade media analysis and production facilities. They will also develop transferable skills and will be able to use in any profession.</p> <p>With the option of taking industry placements and the National Council for the Training of Journalists (NCTJ) qualifications, they can tailor their study on this course to fit your ideal journalistic or media career.</p> <p>Career and Opportunities: Writers, journalists, and media professionals are needed across a wide range of sectors, with communications and marketing being the most popular. Due to the shift to digital and online platforms to adapt to the pandemic, this demand has grown. The</p>

			non-specialist skills you'll graduate with will also help widen your career options.
10.	B.A (Visual Arts)	<p>1. Swaroop Rani Government College for Women Amritsar</p> <p>2. Government College for Girls Ludhiana</p> <p>3. Government College for Girls Patiala</p> <p>4. Government College Ropar</p> <p>5. Government College Ludhiana (East)</p>	<p>In a B.A (Visual Arts) Programs, majors and minors Students will study across many areas in contemporary art, including ceramics, glass, jewellery, painting, photography, print media, screen arts and sculpture In the combined degree, you will also take a major from a range of majors offered across the University, and complete advanced coursework units, including a substantial research, community, industry or entrepreneurship project, or an honours project in the final year.</p> <p>Career possibilities Artist, arts writer, craftsperson, curator, digital artist, art educator (with further tertiary qualifications), exhibition designer, filmmaker, illustrator, painter, product designer, sound artist, web and multimedia designer</p>
11.	B.A (Audio Video Recording ,Animation and Photography)	<p>1. Government College Ludhiana (East)</p>	<p>Photography is both a science and an art; an artistic means of expression in which the camera replaces the pen or the paintbrush. Photography is divided into many streams each generating numerous job opportunities. With the boom in advertising, media and the fashion industry, photography has emerged as a lucrative and thrilling career option to many Indian youths. Students looking to build a career in this field need to start by pursuing a bachelor's degree in photography. Bachelor of arts in photography is a three-year undergraduate degree programme. The programme is offered in a full-time mode by various institutes offering this</p>

			programme. After completing the programme aspiring candidates can find themselves working as different photographers according to their specialisations.
12.	B.B.A (Business Process - Reengineering and Management)	<ol style="list-style-type: none"> 1. Government College Derabassi 2. Government College Hoshiarpur 3. Government College Machiwara 4. Government College for Women Amritsar 	<p>Business Process Re-Engineering and Management (BPM) is the practice of designing, executing, monitoring and optimising business processes. This degree is designed to meet the high employment demand in the management of organisational business processes. This programme will provide you with the necessary conceptual and application skills for the industry. Pursuing a Business Process Management program will assist you in developing new and advanced business processes to achieve organisational goals, combine appropriate technologies for better analysis and work effectively in both individual and team environments. On completion of this program, employment in the management industry for handling business processes is the most promising avenue once you complete this degree programme.</p>
13.	B.Com (Tax Planning and Management) Hons	<ol style="list-style-type: none"> 1. Government College Ropar 2. Government Rajindra College Bathinda 3. Government College for Girls Ludhiana 4.
